## Graphic Designer

Exit Design is seeking a Graphic Designer to join its talented team of design professionals. This individual would work closely with the team to participate in the ideation and development process, to lead the development of information hierarchy, typography and branded elements.

Candidates should demonstrate excellent typography and hand sketching skills and an interest in working in the built environment, with both 3D and 2D design solutions. A strong ideation process is a must. Relevant industry experience as well as a degree in Graphic Design, Industrial Design, Interior Design or Architecture training is a plus. The ideal Graphic Design candidate for Exit Design should have experience working on projects involving multiple, if not all, disciplines listed.

Individuals must be detail oriented, self-motivated with a strong sense of typography and conceptual thinking. This position requires the ability to take direction from multiple people and prioritize tasks accordingly.

Exit Design creates visual communications that help people find their way, tell organizational stories, and discover moments of joy. Human-centered research is the foundation of our work. We consider each step along a visitor's journey and identify opportunities to surprise, delight, and enhance their experience at every turn. Through placemaking strategies and wayfinding experiences, we design moments that matter.

The Graphic Design position is a full-time position. Individuals should have 5-7 years industry experience as well as a degree in Graphic Design. Excellent design and communication skills are critical.
